YCBA Bridge Clubs – Technology Grant

The YCBA will provide funding to successful applicants normally of no more than £2000 and normally of no more than half of the total expenditure for any project, however exceptional circumstances will be taken into consideration. There is a limited fund available and it is the intention of the YCBA to help as many clubs as possible. Priority will be given to under-resourced clubs.

Successful applicants must undertake to remain affiliated to the YCBA and EBU for a minimum of three years or else to repay the grant provided. Any items purchased with money provided by the grant will remain the property of YCBA and will be returned to the YCBA in the event of the club ceasing to exist.

This application form should be submitted to the YCBA Secretary by email at jas361@hotmail.co.uk no later than 30 June 2019.

Name of bridge club and primary contact details
Equipment being purchased
Reason for purchase
What benefit will the purchase provide to the club
Will any other clubs benefit from the purchase (please provide clubs and benefits)
Value of grant requested
Value of total purchase, with supplier's quotation where applicable
