

YCBA Simultaneous Pairs – Volunteer wanted

Normally there are three countywide Simultaneous Pairs events held each year. For a number of years Stuart Davies has organised YCBA Sims along with a myriad of other duties in his role as Tournament Secretary. As the number of YCBA competitions has increased in recent years Stuart feels the need to balance his workload and the Management Board and the Management Committee is looking for a volunteer to take over this particular role. Below is a list of what is involved:

- Deal hands
- Pass to analysts to provide a commentary
- Type the commentary in a compatible format and check for errors of hand analysis
- Have booklets produced
- Determine which Clubs are participating.
- Produce travellers and send pack of instructions & commentaries to Clubs
- Receive results. *Most clubs send the DAT file produced by ScoreBridge, one uses EBUScore; a couple send travellers*
- Calculate and print results.
- Check frequencies for anomalies.
- Issue prizes and charity donations
- Maintain the “Victor Ludorum”.
- Distribute results
- Provide a statement and invoice to the YCBA treasurer for payment of fee and expenses (currently fee = £63, equivalent to 2 sessions as TD).

If interested please contact Stuart who can provide more detail as to **how** these tasks are carried out - stuart@svd1.uk Tel: 01274 598408
