Meeting ID: 886 8728 7599

Password: 139364

Dear Members,

As I am sure you will appreciate, this year we will be unable to hold a face-to-face members meeting as we have done in the past and so this year it is the intention of your YCBA Board to run a virtual one on the Zoom platform. However, the format will be slightly different! Aside from my usual introduction and updates regarding EBU/County and results, there will be no guest presentations this year.

The idea is to concentrate on what we are doing as a county within the virtual bridge world and what we would like to do as and when face-to-face bridge re-establishes itself. This will include: the **competitions** we are running now, in the future and what we have planned for the traditional events we run; our **website**, which remains a very important source of information for our members, and what you would like to see on there (not all requests may be able to be fulfilled!); **teaching**, as this still remains an important source to attract new members to the county; how we can make attractive offerings for those who are just playing 'social bridge' at the moment; and, to **help** those **clubs** who do not have an on-line presence **to play on-line**, with whichever platform appeals most to them. (That is another topic of discussion).

Most importantly though this is your meeting where you can **question members of the Board** and raise any queries that you have. We are open to any new ideas, so I urge you to try to attend if possible, as a platform like this means that you do not have to travel and park!

Best regards

Nick Woolven

Chair of YCBA
