In order to assist with the compilation of the fixtures, will you please provide the information requested for each team that is entered. Please fill in the table on the third page of this form.

The entry fee is £20 per team. Payment to be made on or before the closing date for entries.

During these difficult times we are only able to accept payment by Bank Transfer to: **Yorkshire Contract Bridge Association Sort Code 09-02-22, Account Number 10861509.**

Please mark reference **YLFTF** on the payment, together with the **name of the Club entering..**

Due to the uncertain times we face it is necessary to tell the fixtures secretary the maximum and minimum number of fixtures which can be accommodated when Covid restrictions are required to be in place and when Covid restrictions no longer apply. By "Covid restrictions" we mean limits on the number of tables in play at the Home Team venue arising from legally binding Government restrictions, including but not limited to those relating to social distancing, from Government advice, or from limits set voluntarily by the Home club following a Covid risk assessment.

This will enable clubs to enter as many or as few teams as they wish and all can be accommodated for.

If your club has more than one team then:

- a) What is the maximum number of home matches you can accommodate at any one time if Covid restrictions are not applicable?.....
- b) What is the minimum number of home matches you wish to have at any one time if Covid restrictions are not applicable?.....
- c) What is the maximum number of home matches you can accommodate at any one time if Covid restrictions are applicable?.....
- d) What is the minimum number of home matches you wish to have at any one time if Covid restrictions are applicable?.....

Notes on Filling out form.

- 1) One Captain needs to be nominated for each team who will be responsible for their own team. This involves scheduling matches if played online, adding any additional players online to their team where changes need to be made during the season and entering the result of each match once it has been played. Guidance and help will be given prior to the start of the first match.
- 2) For each player listed in a team the name and EBU number of the player need to be entered. For the initial league set up each team can contain up to 12 players none of whom can be listed for another club, one of which must be a captain. After the initial setup team captains may amend the team roster by adding players without an upper limit, and players may be listed under more than one club team. If a team requires more than one Captain let me know and I can add the extra captain when setting up the teams. More information about this is given on the EBU website under <https://www.ebu.co.uk/member-wiki/lms:captains>
- 3) Please list teams in order of strength. i.e. Team A should be the strongest team, team B the second strongest etc. This will lead to more matches being competitive.
- 4) Please note that we will be using a new VP scale this year for the upcoming season. This can be found in the updated rules for the Face to Face Yorkshire League. Two spreadsheets for teams of 8 over 32 boards "Teams of 8 scoresheet H" and "Teams of 8 scoresheet V" are available on the YCBA website for downloading which have both been adjusted for the new Victory Point Scale.
- 5) Either the word form or the PDF form can be used when replying. If using the PDF then to fill in the form, open it, go to tools (top left of screen) and then select fill and sign.
