Niall Keaney						50		50	1	

432

Notes:

Leeds v Doncaster (match 6) was postponed and did not use the county-wide boards.

The aggregates of the scores listed in columns B-I inclusive should be 0 in each case.

The slight variations are attributable to rounding errors in the spreadsheet's computation of cross imps.

The average ximps are shown for players who have played in 3 or more matches.
