Yorkshire Trophy and Waddington Shield

The Waddington Shield and Yorkshire Trophy went well with numbers increasing again for the Yorkshire Trophy from 8 to 13 teams, whilst the Waddington Shield has remained about the same level as last year.

Nick to contact Members after 2nd August and Mike to contact captains and Match secretaries about 2 weeks later about this year's competition. This in conjunction with advertising on the website and another reminder mid-September is thought to be sufficient publicity. Entries for both will open on the 1st of September with play by dates for each round to be decided at the next YLC meeting.

Links To RealBridge via email

Earlier this year some emails were sent to match secretaries which had a link to the RealBridge website together with other information. The emails did not arrive. After several tests it was found that the link to RealBridge was the reason that the emails did not arrive. A way to get around this is by directing the match secretaries to where they can access the RealBridge link as opposed to sending it via an email. The YLC are to undertake further tests before taking this further.

Date Of Next Meeting: - 4th August 10.00a.m.
