

## YLC COMMITTEE MEETING MINUTES 4<sup>TH</sup> AUGUST 2026

### 1. OYL-SUMMER 2026

The season went smoothly with only Malton C, a new team failing to play its first 3 matches. Though the numbers were down due the league being in Summer, it was still felt that it is worth running for 2 divisions. No changes to the format were thought to be necessary going forwards.

### 2. Yorkshire League 2026-2027

Entries for the Yorkshire League 2026-2027 have remained the same with Wetherby reducing their number of teams by 1 and Doncaster increasing their number of teams by 1.

### 3. Waddington Shield and Yorkshire Trophy 2026-2027

The costings for the Waddington Shield cannot yet be determined as the entry fees have not been decided for the Pachabo. Mike to ascertain the entry fee and do the costings for the 17<sup>th</sup> August. In principle if the current entry fee covers costs then the entry fee is to remain the same, else the YLC will determine the new entry fee shortly after the costings have been circulated.

It was thought that the entry fee of £10 per team should remain unchanged for the Yorkshire trophy though costings will also be done for this competition on 17<sup>th</sup> August and circulated.

The proposed play by dates for the rounds of both the Waddington Shield and the Yorkshire Trophy are: -

15<sup>th</sup> November, 31<sup>st</sup> Decemebr, 21<sup>st</sup> March, 16<sup>th</sup> May.

These dates, along with the entry fees and entry form to be firmed up shortly after the 17<sup>th</sup> August and the entry form to be published on the website at this time.

Nick to circulate information regarding these competitions regarding the format and what they are all about. Mike to follow up after the entry forms have been finalised.

### Any Other Business

1 The issue regarding circulating emails with links to RealBridge is still under investigation. Mike to forward further information after further investigation to see if the problem still exists.
